

iolate the supreme Authority of the Legislature of Great-Britain over every Part of the British Empire.

We beg Leave to present our most dutiful Thanks to your Majesty, for having taken such Steps as you judged necessary for supporting the Constitution, and for repressing that Spirit of Faction and Disobedience, which, in the chief Town of one of your Majesty's Colonies, appears to have proceeded even to Acts of Violence, in direct Denial of all legal Authority; and we will, by every Means in our Power, cheerfully and zealously support your Majesty in all such future Measures as shall be found requisite to enforce a due Obedience to the Laws, to restore Order and good Government where they have been disturbed, and to establish the constitutional Dependence of the Colonies on Great-Britain, so essential to the Interest and Prosperity of both.

With Hearts full of Gratitude to the Divine Goodness, we partake of the Joy which fills your Majesty's Royal Breast, on seeing the poorer Sort of your People relieved from the Distress which they have lately suffered by the high Price of Corn; and we will, by every prudent Measure, endeavour to guard as far as in us lies against the Return of that Calamity.

Your faithful Commons will, with the utmost Zeal and Alacrity grant to your Majesty every necessary Supply; and study to manifest in all their Proceedings that uniform Attachment to the Public Good, which your Majesty is graciously pleased to recommend to them, and of which Your Majesty's own Conduct furnishes an illustrious Example.
